WHAT IS THE FUND FOR LOUISVILLE?

Since our founding in 1984, visionary donors have been making gifts and creating funds to address the community's most pressing needs and emerging opportunities. The Fund for Louisville empowers the Community Foundation to address a wide range of ever-changing community issues, making grant distributions for the greatest impact.

GETTING STARTED IS EASY

You can create a named endowment within the Fund for Louisville to enrich our community for generations to come. You can have your fund support the Fund for Louisville in general, or support a specific area of need within the Fund for Louisville. You can use cash, stock, or other assets gifted during your lifetime or at death to establish a named fund, and the Foundation will disperse grants that address our community's ever changing needs. Named funds begin at \$5,000.
