Friends of Hadley Creatives

It is our responsibility as a community to create an environment where people and place thrive. The Hadley Creatives program is a 5-year commitment of the Community Foundation of Louisville and Creative Capital (New York, NY) to provide professional development support to working artists. We are joined by many friends in our local community to provide ongoing support to these creatives.

Listed below are some of the friends of Hadley Creatives. We expect this list to expand throughout the years.
