

Green River Area Community Foundation Request for Proposals

Green River Area Community Foundation (GRACF), as an affiliate of the Community Foundation of Louisville, serves Daviess, Hancock, McLean, Ohio, Union, and Webster counties in Kentucky.

This grant program utilizes endowment funds earmarked specifically for nonprofits in Owensboro-Daviess County. Our goal is to grow our GRACF endowment fund which will enable grants to be made to nonprofits in any county of our region.

- Grants will be awarded to 501c3 nonprofit organizations working to transform lives in Daviess County and that define a capacity building project that is timely, well considered, and likely to improve the organization's efficiency, effectiveness, and/or sustainability.
- Funds are limited, and GRACF is unable to support all requests. Eligible organizations may request a grant of any size, up to \$10,000 maximum.
- The grant request must make up 50%+ of the total capacity building project budget. Grants will be made January 2020 and may be expended from January 1 - December 31, 2020.

Please note: Organizations that received a 2019 Capacity Building Grant are not eligible for a 2020 grant.

The application is due by 5:00 PM on Friday, October 25, 2019.

Applicants will be notified by December 12, 2019
