

# COMMUNITY. PHILANTHROPY. IMPACT!

## MAKE THE MOST IMPACT THROUGH CHARITABLE GIVING

The Community Foundation of Louisville collaborates with people interested in transforming our community through charitable giving. As a trusted leader in philanthropy, we continue to grow and build for the future by connecting donors and their philanthropic interests with the needs of the community.

### WHY THE COMMUNITY FOUNDATION?

#### Personalized Giving

We accept a wide variety of gifts and work with you to recommend personalized giving strategies that meet all your charitable goals. Through Donor Advised Funds and other charitable funds, we offer a range of grantmaking services that can be tailored to ensure support for the specific causes and organizations that are important to you.

#### Experience and Local Knowledge

The Community Foundation's team of charitable giving experts will help you create your charitable fund in the most effective way possible and partner with your professional advisors to provide a convenient and full-service experience. Community is the inspiration for all we do. We are dedicated to understanding the most pressing community needs, sharing innovative ways to engage in philanthropy, and identifying nonprofit organizations that are creating transformational change in our community. When you have a fund at the Community Foundation, you have access to this knowledge and the unique opportunity to do more with your philanthropy than you ever thought possible.

#### Creation of your Legacy

We're here to guide you in creating your charitable legacy. When you create a charitable fund through your estate plan, you can ensure that the organizations and causes you supported during your lifetime will continue to receive contributions from you year after year, even after you're gone. Or, you may want to support our community more broadly through the Fund for Louisville, a unique way to give back to our city. The Fund for Louisville responds to the most pressing needs in our community. Making a gift to the Fund for Louisville helps ensure that Louisville will always be a vibrant community where people and place thrive.

# YOUR TRUSTED RESOURCE IN PHILANTHROPY

## Organize and Streamline Giving

Our Donor Advised and Charitable Checking Funds will help you simplify your giving and maximize tax savings. The gifts you make to your charitable fund may qualify for an immediate tax deduction, then you enjoy the freedom and flexibility of recommending distributions from your fund to your favorite charities at any time.

## Preserve and Grow Charitable Gifts

Endowment funds offer the opportunity to invest and grow your charitable gifts—tax free. When you create a permanent endowment fund, the initial charitable gift can be preserved to support you and your family's philanthropic interests for generations. Over time, the potential for growth can result in additional grant funding for your favorite nonprofit organizations.

## Foster and Encourage Multi-Generational Philanthropy

Your Donor Advised Fund can be passed down to successive generations, and we can work with you and your loved ones to explore the importance of philanthropy as a family value.

## Honor the Lives and Interests of Loved Ones

You can establish a scholarship fund or lasting memorial fund to honor someone who held a special place in your life. The charitable cause or organization you select can benefit those in need for generations to come.

## HOW WE CAN HELP:
