

We are pleased to provide this quarterly update for your fund's investment in the Community Foundation's **Hilliard Lyons/Baird Pool**.

Our investment philosophy centers on owning high quality investments over the long-term. Our "Core + Satellite" approach offers thoughtful portfolio diversification following our valuation-based asset allocation process. The Core allocation of our portfolios is comprised of large-cap companies and investment grade fixed income securities. The Satellite allocation may include exposure via low cost mutual funds and ETFs to mid-cap, small-cap and international equities.

The Pool's Strategic Asset Allocation is 70% traditional equities, 27% fixed income and up to 3% cash. A more detailed breakdown is shown below:
