

We are pleased to provide this quarterly update for your fund's investment in the Community Foundation's Glenview Pool.

The Pool is designed to balance long-term return requirements with short-term stability needs. It employs a combination of actively managed equity and fixed income funds structured to maintain purchasing power of principal and increase annual grants to constituent charities.

The Pool's Strategic Asset Allocation is 65% traditional equities, 25% fixed income, 8% non-traditional equities and up to 2% cash. A more detailed breakdown is shown below:

The Pool's investment returns and weighted benchmark index are noted as follows:

Time Weighted Rates of Return (net of fees):
