

Invest Louisville

An Opportunity for Local Projects to Receive High Impact Investment Capital

Invest Louisville

Invest Louisville is a local impact investment opportunity from the Community Foundation of Louisville. It is designed to move money and resources into parts of Louisville that have experienced decades of disinvestment through loans, debt guarantees, lines of credit, and equity.

Impact

Invest Louisville will provide for-profit and nonprofit organizations with equitable and impactful investments, particularly in the areas of affordable and accessible housing, entrepreneurship, and land development.

Addressing Louisville's critical need for affordable and accessible housing

Growing local businesses so they can employ more Louisvillians

Accelerating equitable access to capital

Transforming abandoned and underused real estate and land assets into community-serving facilities and properties
