

Baird Trust Pool

This pool's investment philosophy centers Baird's "Core + Satellite" approach which offers thoughtful portfolio diversification following Baird's valuation-based asset allocation process. The allocation of the pool's portfolio is comprised of large-cap companies and investment grade fixed income securities. The allocation may include exposure via low-cost mutual funds and ETFs to mid-cap, small-cap and international equities.

As of March 31, 2026

Annualized Periods Ending December 31, 2025
